Emergency Department 3470 (24hours/7days a week)

The Guilford County Continuum of Care (Guilford CoC) works to both end and prevent homelessness.

Included in this pamphlet are resources for individuals and families who are literally homeless, in danger of losing their shelter, or are experiencing a situation that could lead to homelessness.

If you are homeless in Guilford County, the Coordinated Intake process is the first step toward receiving services.

Coordinated Intake is changing homelessness from a destination to a process. To access Coordinated Intake, visit a shelter in Guilford County.

You will be asked questions to determine the best resources for your situation.

Here is a list of some of the emergency shelters in Guilford County:
